

Friday, October 18th, 2024		
Unity Health Toronto Trainee & Research Associate Satellite Event		
8:00 - 9:00 AM	Registration, Breakfast, & Poster Setup	Exhibit Hall
9:00 - 11:00 AM	Poster Session	Exhibit Hall
11:00 - 12:30 PM	Panel Discussion - Workshop: From Lab to Leadership - Scientist Insights	Room #240
12:30 - 1:30 PM	Lunch - Mingling with Mentors	Room #240
1:30 - 3:00 PM	Poster Session with Mentors	Exhibit Hall

Friday, October 18th, 2024			
Keynote Session: Fundamental Processes of Organ Repair After Injury			
3:00 - 4:15 PM	Badge Pick-Up, Registration		Exhibit Hall
4:15 - 4:40 PM	Opening Remarks and a Commemoration to Pat Keenan	Dr. Ori Rotstein Sean Keenan	Auditorium
4:40 - 4:45 PM	Speaker Introduction	Dr. Boris Hinz	Auditorium
4:45 - 5:35 PM	Keynote Lecture: <i>Wound healing: from fly to fish to mouse to man to cancer</i>	Dr. Paul Martin	Auditorium
5:35 - 5:50 PM	Session Discussion		Auditorium
6:00 - 6:30 PM	Guided Walk to Networking Event		
7:00 PM	Networking Event		Prenup Pub
Saturday, October 19th, 2024			
Opening Session: Single Cell Contributions to Organ Repair and Fibrosis - the Big Picture			
8:10 - 8:20 AM	Speaker Introduction	Dr. Boris Hinz	Auditorium
8:20 - 9:00 AM	<i>Using single cell genomics and spatial profiling to decode human liver injury and repair</i>	Dr. Neil Henderson	Auditorium
Session 1: Mechanical Aspects of Organ Repair and Fibrosis			
9:00 - 9:10 AM	Speaker Introduction	Dr. Andras Kapus	Auditorium
9:10 - 9:50 AM	<i>Mechano-therapies to treat lung fibrosis</i>	Dr. Dan Tschumperlin	Auditorium
9:50 - 10:30 AM	<i>New insights into nuclear mechanobiology in physiology and disease</i>	Dr. Jan Lammerding	Auditorium
10:30 - 11:10 AM	Coffee Break		Exhibit Hall
Session 2: What a Wonderful World: Skin and Kidney Repair and Fibrosis			
11:10 - 11:20 AM	Speaker Introduction	Dr. Darren Yuen	Auditorium
11:20 - 12:00 PM	<i>Molecular pathways that drive diabetic kidney disease</i>	Dr. Katalin Susztak	Auditorium
12:00 - 12:40 PM	<i>Immune-mediated tissue repair</i>	Dr. Sabine Eming	Auditorium
12:40 - 2:10 PM	Lunch Break (including Conference Photograph on LKSKI Stairs)		Exhibit Hall
Session 3: The Good and Bad of Regeneration			
2:10 - 2:20 PM	Speaker Introduction	Dr. Kelsie Thu	Auditorium
2:20 - 3:00 PM	<i>Regression of cholestatic fibrosis</i>	Dr. Tatiana Kisseleva	Auditorium
3:00 - 3:40 PM	<i>Cancer and its associated fibroblasts</i>	Dr. Ellen Puré	Auditorium
3:40 - 4:10 PM	Coffee Break		Exhibit Hall
Session 4: Hearts: All You Need to Heal			
4:10 - 4:20 PM	Speaker Introduction	Dr. Kim Connelly	Auditorium
4:20 - 5:00 PM	<i>At the heart of repair</i>	Dr. Jeff Molkenstin	Auditorium
5:00 - 5:45 PM	Open Discussion and Closing of the Symposium		Auditorium
7:00 PM	Speakers Dinner		George Restaurant
